Theme: 2: Reduce speed now

"Reduce speed now" - we might see this advertisement next to the road, of course. Its aim is to help drivers to avoid dangerous situations on the road, which can appear because of the fast driving when it is not so easy to stop the car fastly. For instance, if someone appeared on the road. People might take it into consideration in order not to die from a bump into something on the fast speed!

When you drive fast it is hard to react suddenly when something happened. Please be careful! Do not drive fast!
