2. Sport shoes are required.

- I might see this advertisement somewhere on the sport festival, maybe in the shopping mall, or just on TV. I suppose this advert might refer to sportsmen, ^{which} probably need some sneakers for their activities, champions and so on. I think people might take into consideration after this advertisement, because plenty of people, I would say almost everybody do some activities. And for them, they of course need sport shoes, so a lot of people including: parents, sportsmen, grandparents or even teenagers would like to buy new pair ^{seeing} after this advert!
