Task 4

Paragraph 2

~~Hadn't scientists told about~~

At the back of her mind something was evoking anxiety, but girl's excitement got better of her.

Sooner or later, she ~~had~~ had to answer. Clara had been told to decide. Finally, she asked herself:

"Would it be a failure, if I won't reply or not?"

Girl opted to turn a blind eye and pick up this challenging and ultimately luring opportunity.

Paragraph 4

More hesitant girl became about the decision she had made. On the verge of her nerves, Clara instantly did her application in one go. She was hectic and didn't expect being enrolled by the programme. The day after she got an email, ~~notifying~~ notifying her about the selection success. On the cloud nine she wrote down a word to her classmate, but the outcomes were atrocious.

Paragraph 6

She thought she must act differently, blaming herself of the mistake was made just to prove her intelligence. Whole life she was struggling hard

and had never taken something for granted. Sure thing, the situation will definitely become just a rewarding experience and unpleasant memory by the time she will have grown. However, since she was a straightforward person, Clara explained herself and got ~~over~~ the excuses.
