Task 8

Today I came across an interesting advertisement. It stated:

„Breakfasts are now being served”.

It's probably designed to inform people, who are going to visit this restaurant or a cafe, of a set system ~~the~~ it has for breakfast lunch and dinner.

In this case, „a set system” means that there is a ~~certain~~ set of products ~~for each of the meals~~, that you can no longer buy after certain time, so visitors ^{are encouraged} keep track of these advertisements.

And, as I mentioned, you can see
this advertisement in any restaurant,
or cafe.
