TASK 8.

A few days ago I was walking down the street and saw a advertisement of a hotel. It said that breakfast were being served there.

This advertisement might refer to the people who wants to stay in this hotel. It is also a great information for those who lives nearby and likes having a breakfast outside

I believe people might take into consideration advertisement because not all of the hotels give people an opportunity to have breakfast in ~~there~~ its place. It is a great advantage of a hotel.
