Daily I can see about 3 advertisements to reduce the speed. Usually, I see them on the way to school. I suggest, that I also can find them nearby kindergartens<sup>d</sup>. In addition, I might see them close to the wild animals habitats. An advertisement to reduce speed might refer to the drivers. They must stay focused while they are on the road. People might take this advertisement into consideration because the message that this advertisement conveys is crucial for the kids and wild animals safety. Also this information for drivers can prevent them and passengers from ~~the~~ injuries and accidents.
