Task 8.

Nowadays we have a big problem with buying an accomodation. Plenty of young people struggle with this.

To help them with this problem other people often create advertisements about letting a flat. You can see them

on social media very often. Usually people describe

appereance of their flat and how much you should

pay for it. People who do not have their own flat might

take into consideration the chosen advertisement.

The reason why is because they need something to live in.

Though they do not have their own place to live they can rent it.

Task 4.

A: Recently I noticed that you have started a new project.

B: Really? What do you and Rina think about that?

A: Rina said that this is the best project she has ever seen.

B: Did Rina truly ~~say~~^{said} that? Wow, this is a surprise

A: Rina surprised me too. Usually she does not like other's projects that much.

B: Ruby will be in shock when I tell her

A: Really

B: Ruby is calling me now. I should go. See you later!
