TASK 1.

1) c. The ^{term} ~~word~~ "agnostology" is a modern formation built from Greek roots. The part "-ology" tells us that the word is some kind of science, "agno-" seemingly relates to the word "ignore", thus we can conclude that the meaning of the term somehow relates to the science that is about ignorance.

2) c. The verb "to escalate" is a blend of "elevate" and "scale". Looking at the ~~word~~ part "scale", we can tell that the verb affects the movement on a scale, and it means to increase.

3) a. The word "broamance" is a blend of "brother" and "romance". We can conclude that the meaning of the word is feeling or expressing brotherly love towards someone.

4) d. The adjective "woken" is a clipping from "awoken". When looking at this word, it is not eable how something is

metaphorically ~~связан~~ from the state of blindness to
social and political injustices.

Task 4.

2 Paragraph 2.

Clara pondered over the message. She tried to turn a blind eye, but the text stayed at the back of her mind during the day. But what she knew for sure is that she had to answer the text sooner or later. If she accepted the proposition, she had no idea what would have happened. Clara considered asking her classmates about it.

Paragraph 4.

When the words hit her, they stirred mixed emotions within Clara. She ~~also~~ actually did think that she capable to more than just good grades. She kept thinking about the message and what her classmates had said. Because of her hectic thoughts she was on the verge of agreeing to the proposition. Suddenly, she grabbed her phone and sent the confirmation message in one go.

Paragraph 6.

Clara must not have known how her decision would affect her life. She thought that she might have been too straightforward and focused on the rewarding part, not considering the consequences of her actions. Clara always took the positive attitude towards her for granted, but

now she sees its ~~was~~ price. Clara was accepted
for the programme, but she pondered whether it
was a Physical victory or not.
