Paragraph 2.

Oliver had never received such offers to work

in a growing company as a co-founder before. He thought "On the one hand, such opportunities are available once a blue moon. On the other hand, I would have been either ~~the~~ poor ~~and unsuccessful~~ or wealthy and successful if I had agreed to do this job before." Oliver had a strange feeling about being in his element. That was a final straw.

Paragraph 4

One day the thoughts about the purpose of life crowded upon him. "I have been hiding from the risks for years, living such a pathetic life just in order to make ends meet and leaving no place for my ambitions. Never will I be afraid of life anymore!" he exclaimed. The

next day he took this by and large decision to accept the proposal.

Paragraph 6

Oliver's co-workers, that sounded rather posh, explained that the objective of the company was to expand the business to Chinese markets. Oliver decided to take advantage of his knowledge of Chinese and became a successful worker. He thought, "If only I could imagine that taking risks can make me happy! ~~I~~ I understand that being reluctant to change my life is like waiting for a bus that is always coming late!"
