Task 4

Paragraph 2

At first, Clara was extremely confused. She was wondering, "Why was I even added to the group

Task 4 (проговоренное)

~~in the first place if I'm just a regular student?"~~ Although at the back of her mind she knew that sooner or later she would have been forced to make a decision, she decided to turn a blind eye at the situation for the moment.

Paragraph 4

Already on the verge of accepting the offer and annoyed at the two boys for labeling her as "safe", she wanted to prove her worth. Moreover, a year before, Clara had promised to her parents that she would take every opportunity to make them proud. Despite her not wanting to make hectic ~~decisions~~ decisions, she did want to keep her promise, so she swiftly confirmed

Task 4 (уподобление)

her interest in one go.

Paragraph 6

After overhearing students speculate that the group must've been a hoax, Cloud's sociology teacher revealed that he simulated everything as part of his experiment. To other students, it was a lesson on not taking ~~opportunities~~ opportunities for granted, and for Cloud, this rewarding experience showed that success in life isn't ~~straightforward~~ straightforward and that other people would have made her their enemy if the exchange programme turned out to be real.
