Task 8

breakfasts are now being served.

I think, we can see that advertisement in the cafes or restaurant.

~~That Advertisement~~ might refer to Advertisement might refer to tourists who trying to find where to eat or just to some people who don't like to cook at home.

People might take this into consideration for the future decisions. For example: two friends just walking and see that advertisement, ~~for~~ now they don't need breakfast. But days later one of them will decide to go out for breakfast, she will remember advertisement and will go there.
