Task 8

I'm going to comment this advertisement:
"REDUCE SPEED NOW".

I might see it near schools and hospitals.
It refers to drivers.

But why do we need to think about this?
Firstly, children can be careless. If a kid
don't see your car, you need to stop
fast. And it is easier to do when you
drive slowly. Secondly, an old lady may be
crossing the road while you are driving. If
you drive fast, you can't stop fast. So
the old lady may die because of you.

In conclusion, I'd like to say that it is
important to drive slowly.
