Task 8.

1. Breakfasts are now being served

If the advertisement says, "breakfasts are now being served", then we can be sure that this place is rather a café or a restaurant.

The advertisement might refer to people who wakes up early in the morning and doesn't want to waste their time making breakfast for themselves at home. They'd rather go somewhere and eat outside.

People might take this advertisement [£] into
consideration to change their morning routine.
And instead of cooking something they can
just go out and eat delicious meals ⁱⁿ at this
place before the work.
