2. Oliver had opened his e-mail inbox like he always did. But today something was different. He quickly opened e-mail from his old college friend Sam. He offered Oliver to quit his stable job and be in one's element of his musical band. The final straw of his e-mail was his line: "This happens once in a blue moon. If we had become popular, we would be rich"

4. While laying in bed, thoughts about his decision covered his mind. He didn't want to make ends meet by making this decision. He has been ~~turning~~ ^{turning} more and more pathetic by the incoming thoughts. What is more, his anxiety became by and large, not letting him even to move. He felt himself as a prisoner of his own

mind and this terrifying situation, as he thought.

6. „And **THIS** is what you are offering to me?” - said Oliver, not understanding what is going on. „I mean, I could stay on my job and take all advantages of a normal life” - his voice sounded angrily. „Oh, how posh is this situation, I've never felt so reluctant” - he finally said. Right now, you can hear their songs on radio, and that is because one person didn't give up.
